GIFT NAMING OPPORTUNITIES

Donors to the Child & Family Guidance Center of Texoma will be recognized appropriately for their generosity. Gifts may be recognized in the name of the donor, as a memorial gift, or as a gift in honor or tribute to someone other than the donor. Donors may be individuals/families, corporations, and philanthropic foundations.

All donors of gifts at the levels of \$1,000-\$5,000, \$5,000-\$15,000, \$15,000-\$25,000, \$25,000-\$50,000, \$50,000-\$100,000 and more will be recognized prominently in the center's expanded home. The display may be arranged to differentiate among the gift ranges. Donors of in-kind gifts of materials, labor, and services valued at \$10,000 or more will be recognized within the giving range.

Donors are encouraged to choose a designated naming opportunity from the list below.

Unique recognition plaques in or near rooms and other areas will be used to acknowledge gifts in the full amounts of \$5,000 and higher as indicated below. The values of designated gift opportunities are not intended to represent actual costs of construction. Donors of these features of the center will also be recognized in all gift recognition listings.
